Others living in the home: \_\_\_\_\_

Is there any special information or concerns you would like to share about your family or living circumstances or your child?

Does your child have any allergies, food restrictions or physical limitations (food, medications, bees)?

Do you have any special skills, hobbies, resources or personal contacts which could enhance our program? (Skills in grant writing, fundraising, landscape design and construction, general contractor work, public speaking, publicity, interior design, sewing, music, dance, early childhood training, accounting, etc.)

-----  
In planning our Parent Education Program, it would be helpful to assess this particular group's interests and needs. *Please check topics that currently interest you.*

Aggressive behavior

Childcare issues
